BACKGROUND:

The Teen Driving New Driver Car Control Clinic is a hands-on, in-car program designed to develop safer drivers. The six-hour Clinic provides behind-the-wheel accident avoidance and defensive driving skills training for teens and their parents.

We are pleased to join the cities of La Quinta, Coachella, Indian Wells, Indio, and local law enforcement agencies, school districts and businesses in supporting this program. We would like to use Fourth District Community Improvement Funds for this worthwhile cause.
