

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

326

FROM: TLMA - Transportation Department

SUBMITTAL DATE:
April 16, 2007

SUBJECT: Amendment No. 1 to the On-Call Engineering Services Agreement with SC Engineering.

RECOMMENDED MOTION:

That the Board of Supervisors approve the attached Amendment No. 1 to the On-Call Engineering Services Agreement with SC Engineering and the County of Riverside and authorize the Chairman of the Board to execute the same.

BACKGROUND:

The Transportation Department needs engineering support services to deliver all the necessary road improvement projects identified and funded in the Transportation Improvement Program. The Board of Supervisors approved and executed an agreement between the County and SCE Engineering on April 27, 2004 to provide the Transportation Department with the needed services. This amendment exercises the option in the agreement to extend the term of the contract for the first of the two optional one-year extensions. The Transportation Department needs the continued services of SC Engineering. All associated contract costs will be funded using project funds. Thus, no Net County costs will be incurred as a result of this contract amendment.
