BACKGROUND:

The Unforgettables Foundation is a non-profit charity that provides burial assistance for low income families who have to deal with the loss of their child (ages 0-18). They also increase community involvement and awareness of the CPR2U Program and market the program throughout Riverside County.

Besides applying for available grants and encouraging donations, the Unforgettables have three successful fundraising events that have allowed them to increase their services. In the last year, the organization assisted 400 families, many of them in the Coachella Valley.

We would like to use Fourth District Community Improvement Funds to assist this organization.
