RECOMMENDED MOTION:

1. That the Board introduce and set for Public Hearing the adoption of Ordinance 640.10 an Ordinance relating to Environmental Health Service fees;
2. That the Board authorize the Clerk to place an advertisement for the Public Hearing in the appropriate local publications;
3. That, upon the close of the Public Hearing, the Board adopt Ordinance 640.10.

BACKGROUND:

The Department of Environmental Health has a legal mandate to conduct specific activities, as defined, and may levy and collect fees to support the cost of these activities. Board of Supervisors' Policy B-4 directs those departments that have the ability to generate revenue from fees shall do so. The Department of Environmental Health has demonstrated success in offsetting its operating costs through the implementation of fee-for-service programs. With the exception of Vector Control (\$398,530) and four positions on our Hazardous Materials Response Team (\$327,461) the Department receives no general funds.

Salaries for professional staff have or will increase by a 12% COLA (6% in FY 06/07 and 6% in FY 07/08 with the additional 11% (Hard to Recruit) added to the top step for Environmental Health Specialists who work in our desert offices. The balance of our SEIU staff will receive a 3% COLA. The LIUNA staff will receive a 2.5% COLA with a 2.71% step increase in May of 2008 (exception-Environmental Health Technicians 5.5% COLA). Agency support services costs have increased by \$415,720 and COWCAP along with other County support services costs increased by \$119,190 over the same period. Summary of Code Section Changes

For any fees related to food operations references to the California Health and Safety code sections have been changed to reflect those changes from the California Retail Food Facilities Law to the new California Retail Food Code which becomes effective July 1, 2007.

FINANCIAL DATA

These proposed fees have been reviewed and approved by the County Auditor/Controller. If approved, the fee adjustments will result in an increase in revenue to the Department of approximately \$783,205 annually. These fee increases have been included in the FY 07/08 Budget.
