The initial three year period is over. Although the current contract allows for the contract to continue for successive one year terms, it is the desire of RCA to enter into a new contract for a period of five years.

As with the previous contract, this contract allows for a 10% general overhead cost to provide this service.

The contract is approved as to form by County Counsel and is also signed by Ron Komers, Assistant CEO/Human Resources Officer. The contract was approved by the RCA Board of Directors on May 14, 2007.
