SUBJECT: Annual Rate Adjustment at Riverside County Regional Medical Center

RECOMMENDED MOTION: Request that the Board of Supervisors:

1. Request a public hearing be set to discuss the implementation of a 9% rate increase at RCRMC and at the close of the hearing, that the Board approve Resolution #2007-262 to increase the current hospital charge structure by 9%;
2. Delegate to the Hospital Director authority to implement the rate increase;
3. Delegate to the Hospital Director the authority to adjust/add/delete rates within the hospital's rate structure as dictated by federal and state regulation changes or requirements; and
4. Delegate to the Hospital Director the authority to negotiate discounts with non-federal, non-state, non-contracted third party health care insurance carriers and self-pay individuals.

BACKGROUND: This action is to approve the Medical Center's rate adjustment for the 2007/2008 Fiscal Year. The Hospital's Charge Description Master (CDM) contains the billing Current Procedural Terminology (CPT), Health Care Common Procedure Coding System (HCPC), revenue codes and retail charges for 20,000 patient supplies, procedures, daily room rates and clinic rates for services rendered or performed at and billed by the Hospital.

Implementation of these rate changes will still leave RCRMC's average charge below the average charge of other hospitals in the area.
