**SUBMITTAL TO THE BOARD OF DIRECTORS OF THE
REDEVELOPMENT AGENCY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Redevelopment Agency

SUBMITTAL DATE:
May 14, 2007

SUBJECT: Bryant Street Storm Drain Project

RECOMMENDED MOTION: That the Board of Directors:

1. Approve the Plans and Specifications for construction of the Bryant Street Storm Drain Project; and
2. Authorize the Clerk of the Board to advertise the Notice Inviting Bids for the Bryant Street Storm Drain Project.

BACKGROUND: On March 15, 2005, the Board approved a contract with David Evans & Associates to prepare plans and specifications to address flooding conditions that exist on Bryant Street due to a lack of storm drains. This project will assist in eliminating excess water which occurs during the rainy season and throughout the year which will in turn eliminate potential health hazards from such excess and stagnant water. The design plans for the Bryant Street Storm Drain Project have been completed. Staff recommends the Board approve the plans and specifications and authorize the Clerk of the Board to advertise the Notice Inviting Bids for the Project.
