The Honorable Board of Supervisors

RE: Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Annexation
of Street Lighting Zone 68

May 25, 2007

Page 2 of 2

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2007-134 adopted April 3, 2007, the Board of Supervisors noticed a public hearing for June 5, 2007, to receive testimony regarding the annexation of Street Lighting Zone 68 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Street Lighting Zone 68 will fund providing electricity for streetlights within public rights-of-way located northerly and southerly of Varner Rd in the Thousand Palms area and includes 7 commercial parcels totaling 331.44 acre(s).

On April 4, 2007 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2007-134, and an information sheet was mailed to all property owners within Zone 68, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2007-134 in The Press Enterprise at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2007-134 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.

Section 53753 of the Government Code has been amended. It requires that the Board after conducting the public hearing designate an impartial person, having no vested interest in the outcome of the proposed annexation, to tally the ballots received by the close of the public hearing at a specified time, date and place.
