**BACKGROUND:**

The Riverside County Fair and National Date Festival grounds are used for events year round including concerts, shows and the annual fair. The grounds require paving improvements to address ADA accessibility standards.

The Economic Development Agency (EDA) provides marketing and outreach efforts to improve communication to the public. The goal is to provide information about county programs, services and events.

We would like to use Fourth District Community Improvement Designation funds to support EDA's efforts in improving the infrastructure on the Fair grounds and providing useful information to as many residents as possible.
