**SUBJECT:** Fourth District use of Community Improvement Designation Funds

**PAGE:** 2

**BACKGROUND:**

The Riverside County Flood Control assisted in the clean up of the Tahquitz Creek wash in the past. The area is a popular dumping area and in need of a clean-up. In addition, it is necessary to clear away dead oleanders and to resurface the Flood Control access road.

A group of residents have already donated their time to clean up a great deal of the accumulated trash. The goal is to encourage more people to use the Coachella Valley Bike Trail and the hiking trail into Mt. San Jacinto, both which are go through this flood control road. The City of Palm Springs is considering providing funding for support their effort.

We would like to use Fourth District Community Improvement funds to partner with the city to clean-up this area.
