At the conclusion of the public hearing the Board of Supervisors adopted Resolution No. 2007-286 and the Legislative Body adopted Resolution No. CFD 2007-05, both of which called an election of the qualified electors of the proposed Community Facilities District No. 07-2 (Clinton Keith) of the County of Riverside (the "CFD") for June 18, 2007 to consider the following proposition: should the CFD be able to incur bonded indebtedness in an aggregate principal amount of \$60,000,000 and be able to levy a special tax within its boundaries consistent with the terms of the Rate and Method of Apportionment, and should the CFD establish an annual appropriations limit equal to \$60,000,000.

The resolutions were consistent with the provisions of the Act, and allowed for the special election. The Clerk of the Board received ballots from the qualified electors by 5:00pm on or before June 18, 2007 and, consistent with Section 53326(d) of the Government Code, declared the special election to be closed, and the proposition to be approved by more than two thirds (2/3) of the votes cast in the election.

The adoption of Ordinance No. 870, on June 26, 2007, authorizes the levy of special taxes within the District pursuant to the rate and method of apportionment of special tax approved by the Board and the qualified electors. The special tax is to be levied commencing in fiscal year 2007-08 and in each fiscal year thereafter until the final maturity date of all the bonds issued.

Staff recommends that the Chairman of the Board of Supervisors be authorized to sign Ordinance No. 870 and that the Clerk of the Board of Supervisors attest to the Chairman's signature and then cause the same to be published within fifteen (15) days after its passage on June 26, 2007 at least once in The Press-Enterprise, a newspaper of general circulation published and circulated in the area of the District, and that Ordinance No. 870, authorizing the levy and collection of special taxes within the CFD shall take effect immediately upon its passage in accordance with the provisions of Section 25123 (c) of the California Government Code.

For each Fiscal Year following Fiscal Year 2007-2008, the Backup Special Tax shall increase by an amount equal to 2.00% of the Backup Special Tax in effect for the prior Fiscal Year.

d. Multiple Land Use Property

In some instances a Parcel of Developed Property may be assigned to more than one Land Use Category. The Assigned Special Tax levied on such a Parcel shall be the sum of the Assigned Special Tax levies for all Land Use Categories located on such Parcel. The Backup Special Tax levied on a Parcel shall be the sum of the Backup Special Tax levies that can be imposed on all Land Use Categories located on such Parcel. The Maximum Special Tax levied on a Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Categories located on such Parcel.

For purposes of calculating the Backup Special Tax for each Land Use Category under such circumstances, the Acreage assigned to each Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land Use Category as compared with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

2. Approved Property

a. Maximum Special Tax

The Maximum Special Tax for each Parcel of Approved Property that is Single Family or Multifamily Property shall be the greater of: (i) the applicable Assigned Special Tax set forth in Table 3, or (ii) the amount derived by application of the Backup Special Tax.

The Maximum Special Tax for each Parcel of Approved Property that is Non-Residential Property shall be the Assigned Special Tax set forth in Table 3, below.

b. Assigned Special Tax

For Fiscal Year 2007-2008, the Assigned Special Tax for each Parcel of Approved Property, except Multiple Land Use Property, shall be described in Table 3 below:

TABLE 3
Approved Property
Assigned Special Taxes
For Fiscal Year 2007-2008

Land Use Category	Taxable Parcel/Acre	Assigned Special Tax Per Parcel
1 - Single Family Property	RDU	\$ 1,049 per RDU
2 - Multifamily Property	RDU	\$ 795 per RDU
3 - Non - Residential Property	Acre	\$ 6,586 per Acre

For each Fiscal Year following Fiscal Year 2007-2008, the Assigned Special Tax shall increase by an amount equal to 2.00% of the Assigned Special Tax in effect for the prior Fiscal Year.

c. Backup Special Tax

(i) If the number of RDU of Single Family Property or Multifamily Property in a specific Final Map is equal to or greater than the proposed number of such RDUs listed in Table 2 above for the corresponding Final Map, the Backup Special Tax

for each Parcel of Single Family Property and Multifamily Property that is Approved Property shall be the Assigned Special Tax for such Parcel at the time such Taxable Property becomes Approved Property.

(ii) If the number of RDU of Single Family Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 above for the corresponding Final Map, then the Backup Special Tax for each RDU of Single Family Property within said Final Map shall equal (x) the number of RDUs of Single Family Property identified in Table 2 above multiplied by the Assigned Special Tax for Single Family Property shown in Table 3, as increased in accordance with Section C.2.b., divided by (y) the number of RDUs of Single Family Property within such Final Map.

(iii) If the number of RDUs of Single Family Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Single Family Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such RDU of Single Family Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Single Family Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Single Family Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

(iv) If the number of RDU of Multifamily Property in a specific Final Map is less than the proposed number of RDU identified in Table 2 above for the corresponding Final Map, then the Backup Special Tax for each RDU of Multifamily Property within said Final Map shall equal (x) the number of RDUs of Multifamily Property identified in Table 2 above multiplied by the Assigned Special Tax for Multifamily Property shown in Table 3 as increased in accordance with Section C.2.b., divided by (y) the number of RDUs of Multifamily Property within such Final Map.

(v) If the number of RDUs of Multifamily Property in a specific Final Map is subsequently changed or modified, then the Backup Special Tax shall be recalculated for each RDU of Multifamily Property within the changed or modified area of said Final Map such that the modified Backup Special Tax for each such

RDU of Multifamily Property within such changed or modified area shall equal the aggregate Backup Special Tax within the changed or modified area prior to the change or modification in such Final Map divided by the number of RDUs of Multifamily Property within such changed or modified area after the change or modification in such Final Map. For a Parcel of Multifamily Property that is not changed or modified by changes or modifications to a Final Map, the Backup Special Tax shall not be recalculated.

For each Fiscal Year following Fiscal Year 2007-2008, the Backup Special Tax shall increase by an amount equal to 2.00% of the Backup Special Tax in effect for the prior Fiscal Year.

d. Multiple Land Use Property

In some instances a Parcel of Approved Property may be assigned to more than one Land Use Category. The Assigned Special Tax levied on such a Parcel shall be the sum of the Assigned Special Tax levies for all Land Use Categories located on such Parcel. The Backup Special Tax levied on a Parcel shall be the sum of the Backup Special Tax levies that can be imposed on all Land Use Categories located on such Parcel. The Maximum Special Tax levied on a Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Categories located on such Parcel.

For purposes of calculating the Backup Special Tax for each Land Use Category under such circumstances, the Acreage assigned to each Land Use Category shall be based on the proportion of Residential Floor Area or Non-Residential Floor Area that is built for each Land Use Category as compared with the Total Floor Area built on the Parcel. The Administrator shall determine all allocations made under this section, and all such allocations shall be final.

3. Undeveloped Property, Property Owners' Association Property and Public Property.

The Maximum Special Tax for each Parcel of Undeveloped Property, Property Owners' Association Property and Public Property is \$ 6,586 per Acre, times the Acreage of the Parcel.

For each Fiscal Year following Fiscal Year 2007-2008, the Maximum Special Tax

for Undeveloped Property, Property Owners' Association Property and Public Property shall increase by an amount equal to 2.00% of the Maximum Special Tax in effect for the prior Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2007-2008 and for each following Fiscal Year, the Legislative Body shall levy the Special Tax on all Taxable Property in accordance with the following steps:

First: Prior to the issuance of Bonds, the Special Tax shall be levied on each Parcel of Developed Property at 100% of the applicable Assigned Special Tax to be applied to the cost of the facilities authorized to be financed by the CFD; subsequent to the issuance of the Bonds, the Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the applicable Assigned Special Tax, as needed to satisfy the Special Tax Requirement;

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied on each Parcel of Approved Property and/or Developed Property whose Maximum Special Tax is derived by the application of the Backup Special Tax, shall be increased Proportionately at up to 100% of the difference between the applicable Maximum Special Tax for each such Parcel less the applicable Assigned Special Tax for such Parcel as needed to satisfy the Special Tax Requirement;

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each

Parcel of Property Owners' Association Property that is not Exempt Property at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Sixth: If additional moneys are needed to satisfy the Special Tax Requirement after the first five steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Public Property that is not Exempt Property, at up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances shall the Special Taxes levied against any Parcel of Developed Property that is Residential Property be increased as a consequence of delinquency or default by the owner of any other Parcel or Parcels within the CFD by more than ten percent (10%).

E. EXEMPTIONS

Land conveyed or irrevocably offered for dedication to a public agency after formation of the CFD and not otherwise shown as or not exempt pursuant to this Section E, shall be subject to the levy of Special Tax pursuant to Section 53317.3 or 53317.5 of the Act.

Notwithstanding the above, the Special Tax shall not be imposed upon any of the following:

- (1) The Legislative Body shall not levy Special Taxes on up to 233.98 Acres of Public Property which include, but not limited to, public streets, water and sewer facilities, and/or flood control drainage channels but excluding Public Property owned by a public school district.
- (2) The Legislative Body shall not levy Special Taxes on up to 10.36 Acres of Public Property that is owned by a public school district.
- (3) In addition to the exempt Acres of Public Property included in (1) and (2) above, the Legislative Body shall not levy Special Taxes on up to 152.25 Acres of Public Property and/or Property Owners' Association Property that is property dedicated and restricted for the use as open space, park, public streets, recreation area or habitat reserve.
- (4) In addition to the exempt Acres of Property Owners' Association Property referenced in (3) above, the Legislative Body shall not levy Special Taxes on up to 6.95 Acres of Property Owners' Association Property that is dedicated and restricted for use as private

streets or golf course.

- (5) The Legislative Body shall not levy Special Taxes on up to 16.50 Acres that has been or is required to be dedicated to a public agency, or non-profit entity pursuant to the Western Riverside County multi-species habitat conservation plan (MSHCP).

If the limit of Acres within one of the categories described in (1), (2) or (3), above, has not been reached, the Legislative Body may, at its discretion as and when it deems appropriate, reallocate and transfer all or a portion of the remaining Acres in said category to either of the other two categories.

After the limit of Acres within each of the above has been reached, the Special Tax obligation for any additional Public Property and/or Property Owners' Association Property acreage may be prepaid pursuant to the provision within Section H., below. Until the Special Tax obligation is prepaid as provided for in the preceding sentence, the Public Property and/or Property Owners' Association Property will be subject to the levy of the Special Tax as provided for in the fifth and sixth steps of Section D. above.

F. MANNER OF COLLECTION, PENALTIES, PROCEDURE & LIEN PRIORITY

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of 10% of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until redeemed.

G. APPEALS

Any owner of a Parcel claiming that the amount of the Special Tax levied on such Parcel is not correct and/or requesting a refund may file a written notice of appeal with the Administrator once the Special Tax in dispute has been paid but, not later than 12 months after the mailing of the property tax bill on which the Special Tax appears. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, convene

the CFD Special Tax Review Board and decide the appeal. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such owner.

H. PREPAYMENT OF SPECIAL TAX

No Special Tax prepayment in full or prepayment in part shall be allowed unless the amount of Maximum Special Taxes, based on the categorization and classification hereunder of all Parcels on the date of the calculation, that may be levied on Taxable Property in each Fiscal Year commencing with the Fiscal Year of the proposed prepayment is at least equal to the sum of: (a) 1.1 times the debt service on the Outstanding Bonds due in the calendar year which commences in such Fiscal Year; plus (b) the Assumed Administrative Expenses for such Fiscal Year.

The following definitions apply to this Section H:

“CFD Public Facilities” means \$33,992,560 expressed in 2007 dollars, based on proposed TUMF and RBBD fees by the Riverside County Transportation Land Management Agency and the Western Riverside Council of Governments or such lower number as i) shall be determined by the Administrator as sufficient to provide the public facilities under the authorized bonding program of the CFD, or ii) shall be determined by the Legislative Body concurrently with a covenant that it will not issue any more Bonds to be supported by Special Tax levied under this Amended and Restated Rate and Method of Apportionment.

“Construction Fund” means a fund or an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

“Construction Inflation Index” means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

“Future Facilities Costs” means the CFD Public Facilities minus public facility costs available to be funded through escrow accounts or funded by the Outstanding Bonds as

defined in Section A, minus public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment.

“Outstanding Bonds” means all previously issued Bonds issued and secured by the levy of Special Taxes, which will remain outstanding after the first interest and/or principal payment date following the current Fiscal Year, excluding Bonds to be redeemed at a later date with the proceeds of prior prepayments of Special Taxes.

1. Prepayment in Full

The Maximum Special Tax obligation may only be prepaid and permanently satisfied by a Parcel of Developed Property, Approved Property, or Undeveloped Property for which a Building Permit has been issued, or Public Property and/or Property Owners' Association Property that is not Exempt Property pursuant to Section E. The Maximum Special Tax obligation applicable to such Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Special Tax obligation for the Parcel shall provide the Administrator with written notice of intent to prepay, and within 15 business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for the Parcel. Within 15 business days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the Prepayment Amount for the Parcel. Prepayment must be made not less than 60 business days prior to any redemption date, unless authorized by the Administrator, for any Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall equal the sum of the amount as identified below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
Total: equals	Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Parcel.
2. For Parcels of Approved Property and/or Developed Property, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel. For Parcels of Undeveloped Property, compute the Maximum Special Tax obligation for the current Fiscal Year for the Parcel as though it was already designated as Developed Property, based upon the Building Permit which has been issued for the Parcel. For Parcels of Public Property and/or Property Owners' Association Property to be prepaid, compute the Maximum Special Tax for the current Fiscal Year for the Parcel.
3. Divide the Maximum Special Tax obligation derived pursuant to paragraph 2 by the total calculated Maximum Special Taxes for the current Fiscal Year for the entire CFD.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "*Bond Redemption Amount*").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "*Redemption Premium*").
6. Determine the Future Facilities Costs.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount derived pursuant to paragraph 6 to determine the amount of Future Facilities Costs for the Parcel (the "*Future Facilities Amount*").
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax prepayments.
9. Determine the Special Tax levied on the Parcel in the current Fiscal Year which have

not yet been paid.

10. Compute the amount the Administrator reasonably expects to derive from the investment of the Bond Redemption Amount, the Redemption Premium and the amount derived pursuant to paragraph 8, from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "*Defeasance Amount*").
12. Verify the administrative fees and expenses, including the costs of computation of the Prepayment Amount, the costs to invest the Prepayment Amount, the costs of redeeming the Outstanding Bonds, and the costs of recording notices to evidence the prepayment of the Maximum Special Tax obligation for the Parcel and the redemption of Outstanding Bonds (the "*Administrative Fees and Expenses*").
13. The reserve fund credit (the "*Reserve Fund Credit*") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit (the "*Prepayment Amount*").
15. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and the Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Maximum Special Tax obligation prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the Administrator shall remove the current Fiscal Year's Special Tax levy for the prepaying Parcel from the County tax rolls. With respect to any Parcel for which the Special Tax obligation is prepaid, the Legislative Body shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Tax and the release of the Special Tax lien for the Parcel, and the obligation of the Parcel to pay the Special Tax shall cease.

2. Prepayment in Part

The Maximum Special Tax on a Parcel of Developed Property or Approved Property may be partially prepaid in increments of \$2,500. For purposes of determining the partial prepayment amount, the provision of Section H.1 or H.2 shall be modified as provided by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Prepayment Amount calculated according to Section H.1 or H.2

F = the percent by which the owner of the Parcel(s) is partially prepaying the Maximum Special Tax obligation.

A = the Administrative Fees and Expenses determined pursuant to Section H.2

With respect to any Parcel for which the Maximum Special Tax obligation is partially prepaid, the Administrator shall (i) distribute the Partial Prepayment as provided in Paragraph 13 of Section H.2, and (ii) indicate in the records of the CFD that there has been a Partial Prepayment for the Parcel and that a portion of the Maximum Special Tax obligation equal to the remaining percentage (1.00 - F) of the Maximum Special Tax obligation will, and the Special Tax shall continue on the Parcel pursuant to Section D.

I. TERM OF THE SPECIAL TAX

Special Taxes shall be levied for the period necessary to satisfy the Special Tax Requirement, but in no event shall Special Taxes be levied after Fiscal Year 2044-2045.
