SUBJECT: Roadwork & Civil Engineering Services Agreement with WEC Corporation for Riverside County Regional Park & Open-Space District Parks

The Park District is working on an unprecedented amount of road and trail improvements over a five (5) year period. We are currently working on approximately \$2,000,000. in road and trail improvements to be funded by a variety of funding sources and want to use consulting firms to help meet the Park District's need for road and trail engineering, project management and inspection services.

A Request for Proposals was advertised and three companies submitted proposals:

WEC Corporation
27 Strathmore
Ladera Ranch, CA 92694

Dudek
605 Third St.
Encinitas, CA 92024

Hall & Foreman
9130 Anaheim Place
Suite 120
Rancho Cucamonga, CA 92509

Thirteen requirements were given in the RFP for the contents of the proposal. Only one of the three companies provided all thirteen items in their proposal; it was WEC Corporation. Based on this, WEC was chosen.

The office of County Counsel has reviewed and approved the Roadwork and Civil Engineering Services Agreement with WEC Corporation as to form.
