5<sup>TH</sup> District Supervisor

**(Fifth District CID Funds, Cont.)**

**BACKGROUND:**

The 5<sup>th</sup> District Community Fair provided information to approximately 300 seniors from throughout the district and available programs and services. These funds assist with the costs for providing meals and the fair.

The Goodmeadow Community Center is in need of renovation. These funds are being provided to EDA which is overseeing the improvements.

Carol's Kitchen provides meals to homeless and low income families who are in need of nutrition. These funds will increase the number of meals being provided.

March Field Museum is undergoing completion of an education hangar and conference center. These funds will be used in this capital campaign.

I urge Board approval of these uses of 5<sup>th</sup> District Community Improvement Designation funds.
