SUBJECT: Closure of Hazardous Fire Areas in the Unincorporated Area of Riverside County

RECOMMENDED MOTION: That the Board of Supervisors approve closure of all hazardous Fire Areas in the Unincorporated Area of Riverside County until such time as the County Fire Chief permits them to be re-opened.

BACKGROUND: County Ordinance 787 requires the Board of Supervisor's approval for the closure of hazardous fire areas for more than fifteen (15) days. Because of the potential of dangerous fires in these areas, the County Fire Chief has determined that these areas should be closed as long as the danger exists.
