SUBMITTAL DATE:

SUBJECT: Expansion of Confidential Voter Registration Status to Public Safety Officers

RECOMMENDED MOTION: That the Board of Supervisors authorize the Registrar of Voters to expand the confidentiality of voter registration information to specified public safety officers pursuant to Election Code § 2166.7.

BACKGROUND: The purpose of the recommended motion is to authorize the Registrar of Voters to expand voter confidentiality to specified public safety officers as provided in Election Code §2166.7, which became effective January 1, 2007. The confidentiality would protect individuals in specified public safety positions where life threatening circumstances may exist to the officer or the officer's family.

Confidentiality granted to public safety officers would be effective for two years unless terminated earlier by the officer. A new request may be granted for an additional two years. Confidential voters receive permanent absentee ballots at their given mailing address and any list, roster, or index produced by the elections official shall include the officer's mailing address or the word "confidential."
