Bids for the project were opened in the office of the Director of Transportation at 2:00 PM, Wednesday, June 13, 2007.

Five bids were received. The lowest and best bid was submitted by Hardy and Harper, Inc. in the amount of \$289,000. The bid is \$65,967 (18.6%) less than the Engineer's Estimate. The contractor is qualified.

The project costs are within the established project budgets for the Clinton Street and 42nd Avenue and Lima Hall Road projects, as shown on Attachment "A".

The construction of sidewalk on Clinton Street will complete a missing segment of sidewalk and will improve pedestrian safety by reducing pedestrian use of the paved roadway.

The work on 42nd Avenue and Lima Hall Road involves roadway reconstruction to improve drainage and to repair deteriorated pavement.

The construction of sidewalk on Washington Street will complete a missing segment of sidewalk and will improve pedestrian safety for students walking to Colonel Mitchell Paige Middle School. The school is located east of Washington Street on Palm Royale Drive.
