Departmental Concurrence

Department of Facilities Management and Transportation Department
Resolution No. 2007-072 Authorization to Condemn Real Property for Road and Storm
Drainage Purposes – Lennar Homes
March 27, 2007
Page 2

BACKGROUND: As a condition of approval for Tract Map 31892, Lennar Homes is planning to widen Leon Road and construct off-site storm drain improvements in the unincorporated Menifee area of western Riverside County. An offer has been made to the property owner as required by Government Code Section 7267.2. A settlement has not been reached with the property owner although negotiations are still in progress.

Staff recommends approval of Resolution No. 2007-072, Authorizing Condemnation of Real Property for Road and Storm Drainage Purposes. The approval will allow the construction of the off-site improvements (which was a condition of approval placed by the county for Lennar Homes Tract Map 31892), to move forward.

3 Resolution No. 2007-072
4 Authorizing Condemnation of Real Property
5 for Road and Storm Drainage Purposes – Lennar Homes

6 Whereas the real properties that are the subjects of this Resolution (collectively
7 the "Subject Properties") are located entirely within the boundaries of the
8 unincorporated County of Riverside, State of California; are located on the west side of
9 Leon Road, south of Domenigoni Parkway, in the unincorporated Menifee area of
10 western Riverside County; are sections of the parcel of real property presently
11 designated as Riverside County Assessor's Parcel Number 461-190-005; and are
12 legally described and pictorially depicted on the documents attached hereto as Exhibits
13 "A" and "B" and incorporated herein by this reference;

14 Whereas the proposed project that is the subject of this Resolution (the
15 "Proposed Project") is one to widen and improve Leon Road in the Menifee area of
16 unincorporated Riverside County, California (including but not limited to the use of the
17 Subject Properties for public road and utility purposes, for storm drain purposes, for
18 purposes of a staging area for construction and/or other work, and for other uses
19 incidental to the Proposed Project and required by the Proposed Project);

20 Whereas the use(s) that will be made of each one of the Subject Properties is
21 described in attached Exhibits "A" and "B"; and

22 Whereas the interests in property that are the subjects of this Resolution
23 (collectively the "Subject Property Interests") are: (a) a perpetual easement in the
24 section of real property that will be used for public road and utility purposes; (b) a
25 perpetual easement in the section of real property that will be used for storm drain

1 purposes; and (c) a temporary easement in the section of real property that will be
2 used for purposes of a staging area for construction and/or other work.

4 Interests by eminent domain are Article 1, Section 19 of the California Constitution;
5 Sections 25350.5 and 66462.5 of the Government Code; Sections 940 and 943 of the

8 Now, therefore, BE IT RESOLVED AND ORDERED by the Board of
9 Supervisors of Riverside County, State of California, not less than four-fifths of all
10 members concurring, in regular session assembled on June 2007, that this Board
11 finds and determines each of the following:

12 1. Notice of the Board's intention to adopt this resolution of necessity was
13 duly given as required by Section 1245.235 of the Code of Civil Procedure, and on the
14 date and at the time and place fixed for hearing, this Board did hear and consider all of
15 the evidence presented.

16 2. The public interest and necessity require the Proposed Project.

17 3. The Proposed Project is planned and located in the manner that will be
18 most compatible with the greatest public good and the least private injury.

19 4. The Subject Property Interests are necessary for the Proposed Project.

20 5. The offer required by Section 7267.2 of the Government Code has been
21 made to the owner or owners of record of the Subject Properties.

9 amount of compensation out of proper funds under the control of the County into the
10 County Treasury and for an order permitting the County to take prejudgment
11 possession and use the real properties for the purpose of constructing the Proposed
12 Project.

13 4. To compromise and settle such proceedings if such settlement can be
14 reached and, in that event, to take all necessary actions to complete the acquisition,
15 including stipulations as to judgment and other matters, and the causing of all
16 payments to be made.
