The Sheriff's Department has computed the appropriate billing rates for the Sheriff's Schedule of Fees for FY 2007-08, in accordance with the associated legal authority. These rates reflect full cost recovery for all services listed. The only rates that have not appeared previously on the Sheriff's Schedule are those for providing photos to the public on DVD.

The Schedule includes four fees that require modification and are established by County Ordinance. Specifically, these Ordinances are:

Ordinance No. 608, last amended by the Board on October 31, 2006, established a fee of \$241 for the removal and storage of a body. Based on FY 2005-06 expenditures and current average salaries and benefits for positions involved in the process, Sheriff's staff proposes the fee be set at \$216 in FY 2007-08.

Ordinance No. 791, last amended by the Board on June 6, 2006, established a fee schedule for the testing and training involved for the Sheriff's Department to issue a two-year permit to carry a concealed weapon. Based on current average salaries and benefits for training personnel, Sheriff's staff proposes that the training fee for initial and renewal permits be decreased from \$111 to \$100. In addition, the Schedule also details costs for the three-year Judicial permit and the four-year law enforcement Reserve Officer permit.

Ordinance No. 836, last amended by the Board on June 6, 2006, established a fee of \$55 per month per County Correctional Facility for bail bond signboard advertising. Staff has recalculated the fee for FY 2007-08 and proposes a monthly fee per facility signboard of \$54.

Ordinance No. 837, last amended by the Board on June 6, 2006, established a fee of \$2,279 for the County Coroner's Office to conduct an autopsy. Based on FY 2005-06 expenditures and current average salaries and benefits for positions involved in the process, Sheriff's staff proposes the fee be set at \$2,153 in FY 2007-08. If Toxicology and Histology tests are required, charges from a contracted laboratory will be added to this fee.

As indicated above, Sheriff's staff is proposing that public hearings on the modification of the fees associated with these Ordinances be set for July 17, 2007.
