 RE: Resurfacing of various roads, Indio area

 Page 2 of 2

The resurfacing of the project roads in the Bermuda Dunes area is included in the bid package as an alternate bid schedule to provide the County with flexibility in the event that funds are not available or if higher than expected bid prices are received. RDA Bond Funds are pending approval for this work, and award will be contingent upon funding approval. Those streets are listed below.

The adjustment to grade of surface utilities owned by the Valley Sanitary District and Indio Water Authority (Owners) is included in the bid package as alternate bid schedules. If the Owners approve the award of their respective alternate bid schedules as bid by the apparent low bidder, the costs for the work will be funded by the respective Owner.

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete.
