

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

736 A

**FROM:** TLMA - Transportation Dept.

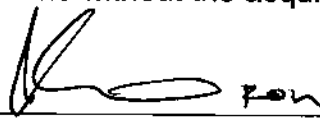

**SUBMITTAL DATE:**  
July 9, 2007

**SUBJECT:** Construction of Widening Improvements to Install Four Through Traffic Lanes on Winchester Road, Thompson Road to Whisper Heights Parkway (Segments), French Valley area

**RECOMMENDED MOTION:** That the Board of Supervisors approve the plans and specifications for the construction of road widening to install four through traffic lanes on Winchester Road, from Thompson Road to Whisper Heights Parkway in the French Valley area of Riverside County. Authorize the Clerk to advertise for bids to be received in the office of the Director of Transportation up to the hour of 2:00 pm, Wednesday, August 8, 2007, at which time bids will be opened.

**BACKGROUND:** The Transportation Improvement Program provides for the construction of roadway widening to provide four lanes of travel and left turn lanes on Winchester Road, from Thompson Road to Domenigoni Parkway. The project from Thompson Road north to Whisper Heights Parkway (Pourroy Road) is the first phase of this work, since it can be constructed at this time without the acquisition of right of way

**Juan C. Perez**  
Deputy Director of Transportation

  
George A. Johnson  
Director of Transportation

or relocation of utilities, and has no major construction obstacles or project related issues. The current project will provide for 4 through lanes of traffic in two segments, which will connect sections already widened by others. Upon completion of the work, Winchester Road (State Route 79) will be at least a four lane facility from Whisper Heights Parkway southerly to the City of Temecula. This project will be completed under permit with the California Department of Transportation (Caltrans).

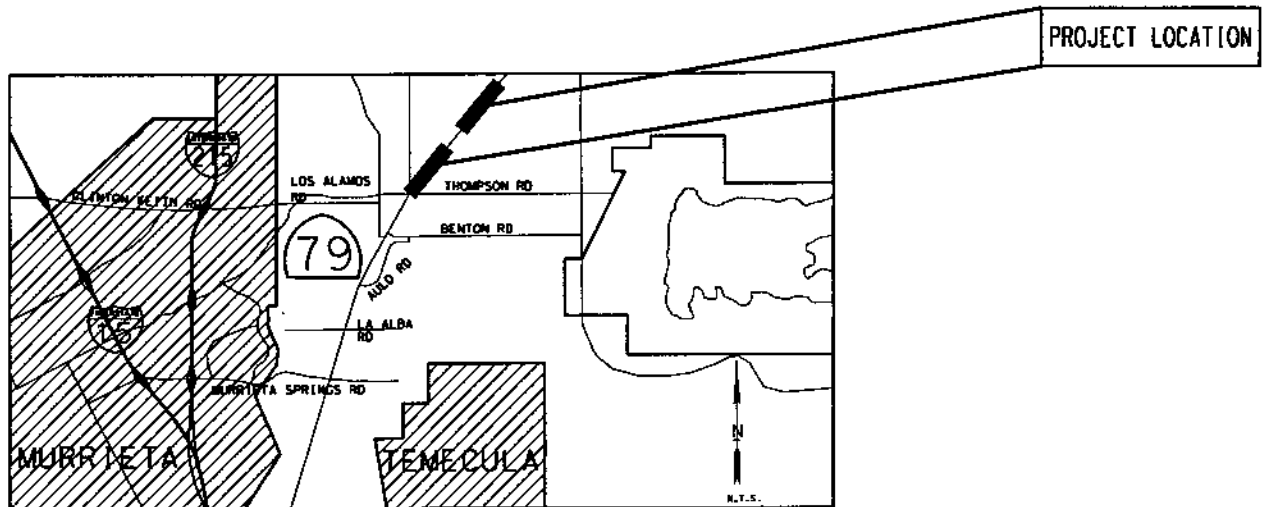

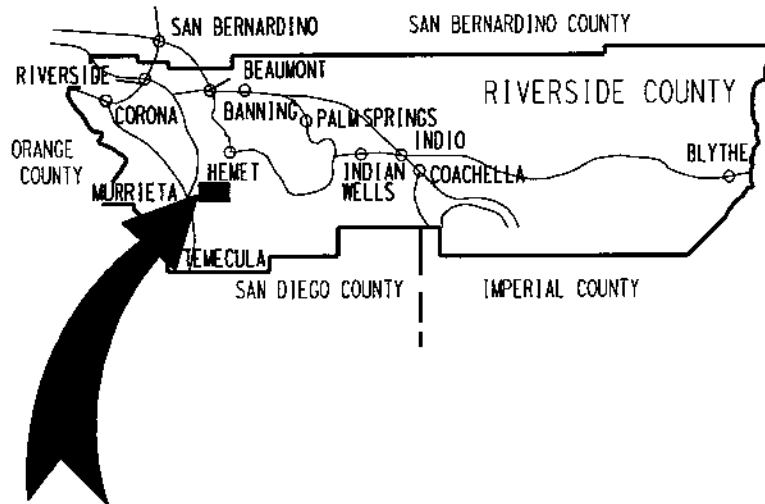

The Department is also working vigorously to complete the remainder of the project which will extend the widening improvements to Domenigoni Parkway, an additional 5.5 miles. This second phase is more complicated due to the necessary right-of-way acquisitions, utility relocations and the involvement of Federal funds.

The submitted plans and specifications have been approved as to form by County Counsel. The environmental clearance for this project is being submitted as a separate item on this same Board Agenda.

Project No. B4-0527.
