

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

982A

**FROM:** Director of Transportation

**SUBMITTAL DATE:**  
July 23, 2007

**SUBJECT:** Construction of Roadway Widening and Storm Drain Improvements, Valley Way and Armstrong Road, from State Highway 60 to Sierra Avenue, Sunnyslope / West Riverside area

**RECOMMENDED MOTION:** That the Board accept the low bid of Sully-Miller Contracting Company of Anaheim, CA in the amount of \$4,813,000. Award the contract to that firm and authorize the Chairman of the Board to execute the contract documents. Amend the Transportation Improvement Program's project budget as proposed on Attachment "A".

**BACKGROUND:** By Minute Order dated February 27, 2007 (agenda item 3.78) the Board authorized the Clerk of the Board to advertise for the construction of roadway widening, storm drain and associated improvements on Valley Way and Armstrong Road, from State Highway 60 to Sierra Avenue, in the Sunnyslope / West Riverside area of Riverside County. Bids for the project were opened in the office of the Director of Transportation at 2:00 PM, Wednesday, April 11, 2007. Five bids were received. The lowest and best bid was submitted by Sully-Miller Contracting Company in the amount of \$4,813,000 for all schedules of work. The bid is \$883,144 (15.5%) less than the Engineer's Estimate.

**ATTACHMENTS FILED WITH THE CLERK OF THE BOARD**

The Honorable Board of Supervisors

RE: Construction of Roadway Widening and Storm Drain Improvements, Valley Way and Armstrong Road, from State Highway 60 to Sierra Avenue, Sunnyslope / West Riverside area  
July 23, 2007

Page 2 of 2

The project will provide roadway reconstruction and widening on Valley Way and Armstrong Road, from State Route 60 to Sierra Avenue, which is a major connector between the Riverside area and Fontana. The improvements include roadway widening for the installation of four lanes of travel, and include the construction of a master plan storm drain system. The work is being coordinated with the Riverside County Flood Control and Water Conservation District and the County of Riverside Redevelopment Agency, which are each funding a portion of the work. The cooperative agreement with the Redevelopment Agency was approved on December 20, 2005 (Agenda items 3.22 and 4.4). The cooperative funding agreement with the Riverside County Flood Control and Water Conservation District will be submitted to the Board for action on this same agenda.

A major waterline will be constructed by the Jurupa Community Services District (JCSD) during the construction of the County's improvements. Additionally, the adjustment to grade of utilities owned by JCSD were added to the bid package as an alternate bid schedule. JCSD has approved the award of the alternate bid schedule as bid by the apparent low bidder, and the costs for the work will be funded by JCSD.

The Economic Development Agency has acquired the necessary rights of way for the project, which required the removal of homes and relocation assistance to the residents.

The contractor is qualified. The Contractor has executed the contract and has provided bonds and insurance certificate documents which meet the requirements of the contract.

Project No. B2-0386.

	Jurupa Community Services district		7,700
<b>Totals:</b>		<b>8,701,000</b>	<b>7,369,300</b>

## Comments

Note... EDA is paying the cost of right-of-way acquisitions directly and the associated costs are therefore not being processed through the Transportation Department. The right-of-way budget shown above was therefore reduced to more accurately reflect the comparison between the proposed budget and the Transportation Department's expenses. \$75,000 was also paid directly by EDA for utility costs, which are also not included in the current budget projection.

Flood has proposed \$900,000 in funding but has expressed a willingness to provide additional funding if needed to keep the Measure A expenses within the original programmed budget.
