COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: County Library

SUBMITTAL DATE:
August 28, 2007

SUBJECT: Renewal of Library Automated Service Agreements

RECOMMENDED MOTION: That the Board approve and ratify back to July 1, 2006, and authorize the Chairman to sign the attached Amendments to Agreements for Automated Library Services with the following contractees: City of Moreno Valley, City of Murietta, and College of the Desert.

BACKGROUND: The Riverside County Network, a part of the Riverside County Library System, provides automation services to several independent, but cooperating libraries within Riverside County. Although services were provided, the agreement was allowed to lapse due to Murietta Public Library's move into a new facility, and Moreno Valley Library's several moves. This agreement will cover services until an updated agreement covering expanded services can be put in place. The attached amendments continue this service through June 30, 2008. The services are provided by Library Systems and Services, LLC (LSSI), as part of the existing contract to operate the Riverside County Library System. The County Librarian oversees the provision of these services.
