Departmental Concurrence

FROM: TLMA - Transportation Dept.

SUBMITTAL DATE:
August 27, 2007

SUBJECT: Construction of Traffic Signal and Associated Improvements, Van Buren Boulevard at the State Route 60 East-Bound Off-Ramp, Mira Loma Area

RECOMMENDED MOTION: That the Board of Supervisors approve the plans and specifications for the construction of traffic signal and lighting and associated improvements at the intersection of Van Buren Boulevard and the State Route 60 East-Bound off-ramp in the Mira Loma area of Riverside County. Authorize the Clerk to advertise for bids to be received in the office of the Director of Transportation up to the hour of 2:00 PM, Wednesday, September 26, 2007, at which time bids will be opened.

BACKGROUND: The Transportation Improvement Program provides for the construction of the subject improvements, which includes the new traffic signal, off-ramp widening and striping improvements to increase capacity, and associated improvements. The project also includes traffic signal equipment and improvements to three County owned traffic signals that will enable improved traffic signal timing coordination between existing County maintained traffic signals

George A. Johnson
Director of Transportation

**ATTACHMENTS FILED
WITH THE CLERK OF THE BOARD**

The Honorable Board of Supervisors

RE: Construction of Traffic Signal and Associated Improvements, Van Buren Boulevard at the State Route 60 East-Bound Off-Ramp, Mira Loma Area

August 27, 2007

Page 2 of 2

and the new traffic signal to be constructed under this contract. The County maintained traffic signals that will be modified to enable improved timing coordination are at the intersections of Etiwanda Avenue and Iberia Street, Etiwanda Avenue and Van Buren Boulevard, and Etiwanda Avenue and Riverside Drive.

The intersection of Van Buren Boulevard and the East-Bound Route 60 off-ramp meets warrants for the construction of a traffic signal, which will provide protected traffic movements and improve traffic safety. This intersection is heavily traveled, and is used extensively by commercial truck traffic.

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete.

The traffic signal will be maintained by Caltrans and the County's 2/3 share of the annual traffic signal operation and maintenance costs is estimated at \$4,000, to be funded from gas tax.

Project No. A2-1067.
