-------------------------	-----------------------	----------

BACKGROUND:

The Food Now, Inc., distributes food to approximately meals for 5,000 a month, providing for the very low income working families with children single mothers, the disabled, senior citizens and the homeless. These funds will provide for rent of the facility for three months. The I-10 Corridor Neighborhood Watch in Cabazon provides services for the year and hosts an annual picnic in coordination with the Riverside County Sheriff's Department. These funds will pay for operating expenses and the shared cost of the picnic. I urge the Board to support these uses of 5th District Community Improvement Designation funds
