BACKGROUND: The City of Desert Hot Springs has recently encountered financial difficulties eliminating the ability to provide necessary improvements to their facilities. One of these facilities is the Senior Center. The Senior Center, which also serves as a "cool zone" within the City, requires termite fumigation, major restroom rehabilitation, electrical upgrades, new carpeting and flooring, exterior signage and paint. I believe the senior citizens in Desert Hot Springs deserve a Senior Center that provides these basic amenities. The Moreno Valley Black Chamber of Commerce Community Foundation is raising funds for their 3rd Annual Banquet. I ask the Board to approve this use of Community Improvement Designation funds.
