**RECOMMENDED MOTION (Cont'd):**

3. Authorize the Executive Office to transfer up to \$80,000 from the General Fund Capital Project Designation account to the Department of Facilities Management (10000-7200400000) to cover various expenditures associated with this land acquisition transaction, including good faith option costs, due diligence costs, and staff time; and,
4. Direct the Auditor-Controller to adjust appropriations and estimated revenue as outlined in Attachment A.

**BACKGROUND:** On July 31, 2007, the Board of Supervisors approved Resolution 2007-036, the Notice of Intention to Purchase Real Property in the City of Perris, County of Riverside, State of California, identified by Riverside County Assessor's Parcel Number 327-190-005, 006, 007, 009, 010, 011, 012, 014, 015, 017, 019 and all but a 1.18-acre portion of 020, and authorized the Director of Facilities Management to immediately secure the real property described in the resolution.

Facilities Management is in the process of identifying and purchasing property in the Perris Valley region to provide a land bank for future county use; the land would serve as a site for various types of facilities necessary to serve this rapidly developing area. The department has identified a 57.02 acre vacant land located in the City of Perris to serve in this capacity.

Because the specific uses for the property have not been identified, no information in terms of a project is available to perform a meaningful California Environmental Quality Act (CEQA) review that would assess the extent of any identifiable environmental impact. CEQA defines a "Project" as an activity undertaken by a public agency which may cause a physical change in the environment. Any project requires environmental review before agency action; CEQA provides that the review must take place as early as possible, but late enough to provide meaningful information for environmental assessment. With regard to the proposed purchase, a full CEQA compliance review will be accomplished when actual uses are identified and project descriptions are available, and prior to any land alteration. In this instance, the purchase and change of title on the land being acquired does not require CEQA review.

County Counsel has reviewed and approved Resolution 2007-363, Authorization to Purchase Real Property, as to legal form.

**FINANCIAL DATA:** General Fund Capital Project Designation has been set aside for the acquisition, and no additional Net County Cost will be incurred as a result of this land purchase. All associated land acquisition costs are anticipated to be incurred in FY 07/08.

Purchase Price:	\$9,000,000
Estimated Title and Escrow Fees:	\$ 40,000
Estimated DOFM Staff Expense:	\$ 30,000
Estimated Due Diligence Expense:	<u>\$ 50,000</u>
Estimated Total:	\$9,120,000

**TO:** Board of Directors

**FROM:** General Manager

**SUBJECT:** Approve and Authorize the Execution of An Agreement for Purchase and Sale and Joint Escrow Instructions

**RECOMMENDATION**

That the Board, by Minute Order, approve and authorize the sale of 57.02 acres of excess real property (Assessor's Parcel Numbers 327-190-005; 006; 007; 009; 010; 011; 012; 014; 015; 017; 019, and all but a 1.18 acre portion of 020) to the County of Riverside; and authorize the General Manager to execute an Agreement of Purchase and Sale and Joint Escrow Instructions in the amount of \$9,000,000.

**BACKGROUND**

The District has declared 57.02 acres of property on Trumble Road as excess to the District's needs. The land was offered for sale to all public agencies in accordance with Government Code Section 54222. An independent appraisal of the property as of December 28, 2006 indicated a market value of \$9,000,000. The County of Riverside has offered to purchase the property at the appraised value. Upon execution of a purchase and sale agreement by the District and the County, a joint escrow will be opened. The agreement was drafted by the District's Legal Counsel and approved in form by Riverside County.
