COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Department of Mental Health

**SUBMITTAL DATE:**

**SUBJECT:** DRUNK AND DRUGGED DRIVING PREVENTION MONTH

November 26, 2007

**RECOMMENDED MOTION:** Move that the Board of Supervisors proclaim the month of December 2007 as Drunk and Drugged Driving Prevention Month.

**BACKGROUND:** The Department of Mental Health requests that December 2007 be designated as Drunk and Drugged Driving Prevention Month. Many drivers may be unaware that their driving abilities can be seriously impaired by the use of alcohol and drugs even though their blood alcohol levels are below California Driving Under the Influence (D.U.I.) Standards. The intent of this campaign is to increase public awareness of the effects of alcohol and drugs even at minimal consumption levels and to create safer highways by reducing drunk and drugged driving.
