

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

130

SUBMITTAL DATE:
November 19, 2007

FROM: Economic Development Agency

SUBJECT: French Valley Airport Master Plan Update

RECOMMENDED MOTION: That the Board of Supervisors approve the French Valley Master Plan Update Contract with Coffman Associates, and authorize the Chairman of the Board to sign the agreement.

BACKGROUND: On May 24, 2005, Riverside County EDA established an RFP process utilizing FAA procedural guidelines for selecting a Master Plan Consultant. As a result of the conducted process and with FAA concurrence, EDA selected Coffman Associates to conduct the French Valley Master Plan update. The previous Master Plan analysis was conducted in 1995.

The Airport Master Plan studies the long-term development concept proposed for the airport. The Airport Master Plan also displays the concept graphically in the form of an Airport Layout Plan and provides supporting documentation in an accompanying written report. The Master Plan includes the approval of an Airport Capital Improvement Program, and short- to mid-term airport development projects which includes an environmental evaluation for each proposed project

(continued on page 2).

DATE: 11/19/07

BACKGROUND (continued):

These projects include the design and construction of a new apron, preventative maintenance in the form of an asphalt overlay for Rwy 18-36 and associated taxiways and replacement of the Airport Weather Observation System (AWOS). The Master Plan deletes a parallel runway proposed in the previous 1990 master-plan version. In addition, the Master Plan explains that its scope also includes a small commuter service feasibility analysis and a site design study for an air traffic control tower.

EDA Aviation Staff recommends that the Board award the Master Plan update contract to Coffman Associates.

Financial Data:

The French Valley Airport Master Plan update will be financed with a Federal Aviation Administration, Airport Improvement Program (AIP) planning grant, State match grant funds and Aviation funds; the County's General Fund will not be affected.
