

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Roy Wilson

SUBMITTAL DATE:

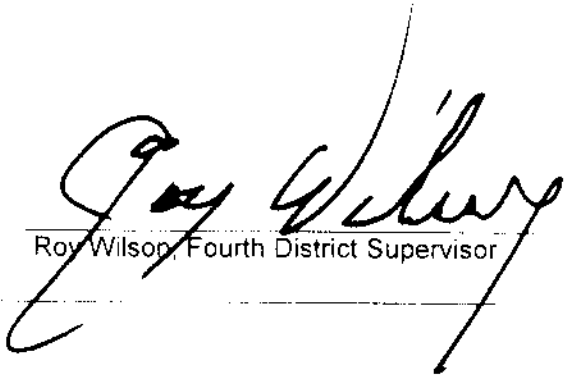

FEBRUARY 5, 2008

SUBJECT: Authorization to use Indio CAC for paid parking for the Riverside County Fair and National Date Festival

RECOMMENDED MOTION: That the Board of Supervisors authorize the use of the County Parking lots of the Indio CAC for parking during the weekends, holiday and nights of the Riverside County Fair and National Date Festival.

BACKGROUND: Fair Management is requesting the use of the parking lots at the Indio CAC adjacent to the County Fairgrounds, and the Larson Justice Center near County Fairgrounds, for paid parking. The parking lots are needed during the two weekends, the holiday, and evening (from 5:30 p.m. to 10:00 p.m.) of the Fair's annual run, specifically, February 15 thru February 24, 2008. The **Administrative Office of the Courts** ("AOC") has granted the County of Riverside, a license to use the Larson Justice Center parking lot with approximately 300 parking spaces for parking during the County Fair and National Date Festival. This license is effective for the temporary use of the Larson Justice Center from February 16, 2008 to and including February 18, 2008 and again February 23, 2008 to and including February 24, 2008. Further, parking is permitted during week nights after 5:00 p.m. from February 15, 2008 through February 24, 2008.

Since this involves weekends, holiday, and evenings the impact to the public use of the parking lot will be negligible.

Roy Wilson, Fourth District Supervisor
