California. Staff is directed to cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2007-526 adopted December 18, 2007, the Board of Supervisors noticed a public hearing for February 5, 2008, to receive testimony regarding the annexation of Location 2 to Zone 111 of Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Location 2 to Zone 111 will fund the maintenance and servicing of fossil filters and traffic signals, and the provision of electricity for traffic signals within public rights-of-way located westerly of Archibald Ave and southerly of Wind River Rd in the Eastvale area and includes 37 single-family residential lots.

On December 19, 2007 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2007-526, and an information sheet was mailed to all property owners within Location 2, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2007-526 in The Press Enterprise at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2007-526 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.

Section 53753 of the Government Code has been amended. It requires that the Board after conducting the public hearing designate an impartial person, having no vested interest in the outcome of the proposed annexation, to tally the ballots received by the close of the public hearing at a specified time, date and place.
