BACKGROUND: The Emerson Elementary School, due to recent budget reductions in the 2007-2008 school year, is requesting funding assistance to cover transportation costs to and from camp for mostly low-income students. There are currently 68 sixth grade students signed up and the cost of camp is \$120.00 per student plus transportation. The Emerson Elementary School wishes to give students opportunities they may not otherwise be able to experience.

I request that the Board of Supervisors approve a contribution of \$1,000 to support the Emerson Elementary School.
