JUSTIFICATION:

1. An inspection was made of the subject real property by the Code Enforcement Officer on February 8, 2007.
2. The inspection revealed three substandard structures (single story brick building, freestanding carport and commercial storage shed) on the subject real property in violation of Riverside County Ordinance No. 457. The substandard conditions of the structures included, but were not limited to the following: lack of or improper water closet, lavatory, bathtub shower or kitchen sink; lack of hot and cold running water to plumbing fixtures; lack of required electrical lighting; hazardous wiring; faulty weather protection; general dilapidation or improper maintenance and abandoned, vacant, public and attractive nuisance. The inspection also revealed the accumulation of rubbish (approximately 6,750 square feet) on the subject property in violation of Riverside County Ordinance No. 541. The accumulation of rubbish consisted of, but was not limited to the following materials: used clothing, appliances, furniture, green waste, metal, auto parts, motor oil and tires.

3. Subsequent inspections of the above-described real property on July 12, 2007, August 30, 2007, October 31, 2007, and January 16, 2008, revealed that the property continues to be in violation of Riverside County Ordinance Nos. 457 and 541.
