**BACKGROUND:** *King High School Remembers* is a veteran's oral history project dedicated to record the biographies of World War II, Korea, Vietnam and the Gulf War veteran's for posterity. Numerous local veteran groups and other civic groups have recognized *King High School Remembers* over the past five years and the project was the recipient of the 2004 Golden Bell Award for History/Social Science by the California School Boards Association. Due to increasing costs, the program is in need of sponsorship to continue this award-winning event.
