BACKGROUND:

King High School Remembers is an annual event that puts high school students face-to-face with our veterans allowing for memorializing stories that would otherwise be lost.

The Moreno Valley Rockets is a sports organization for college age young men. These funds support their ongoing efforts as well as assist in their costs to compete.

The Teen Driving Clinic teaches safe driving practices to teenage drivers.

Funds for the NAACP are in sponsorship of a dinner event.

The Perris Valley Historical & Museum Association will use these funds to purchase display cases, stands, and educational materials to increase the number of local artifacts that may be viewed, studied and enjoyed by the public.

I urge Board support of these uses of Community Improvement Designation funds.
