subject improvements. Both intersections meet the established warrants for the construction of a traffic signal, which will provide protected traffic movements and improve traffic and pedestrian safety.

Annual traffic signal operation and maintenance costs are estimated at \$4,500 for each location, to be funded from gas tax.

The submitted plans and specifications have been approved as to form by County Counsel. Environmental clearance is complete.

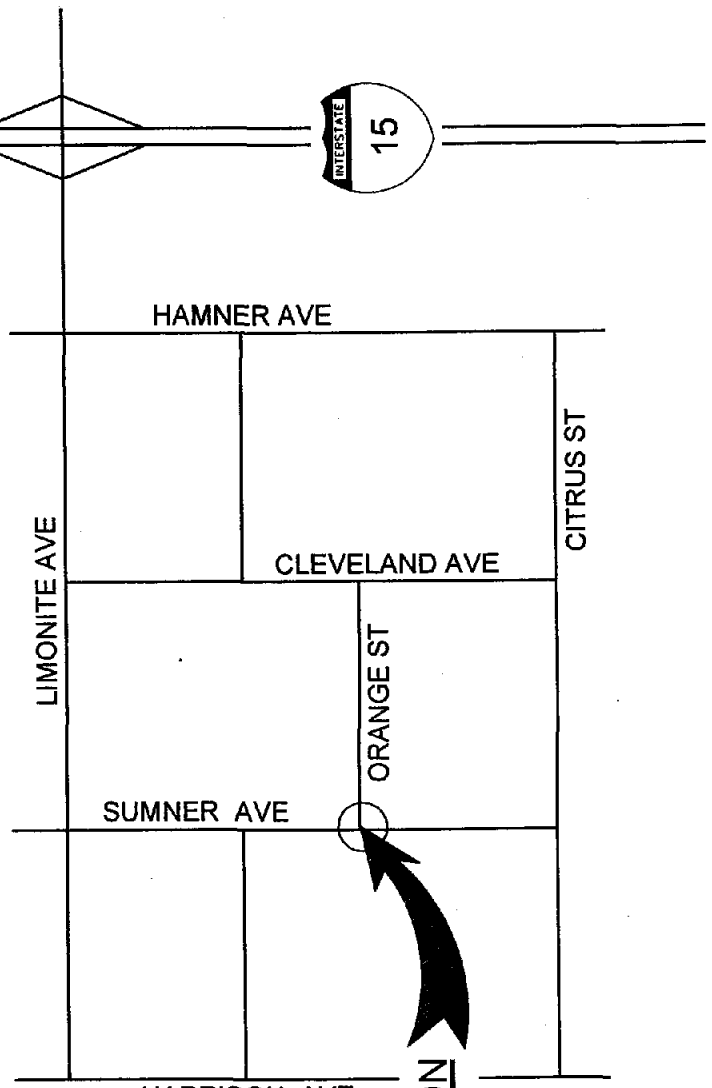

The Development Impact Fee (DIF) program, which is governed under Ordinance 659.6, allows for the use of DIF funds for traffic signal facilities.
