

The Honorable Board of Supervisors

RE: Resurfacing of Various Roads and Construction of Sidewalk on Pico Avenue, Avenue Juan Diaz Westerly in the Rubidoux area.

March 3, 2008

Page 2 of 2

included a base bid and three alternative bid schedules (A, B, and C). The selection of the lowest bid is the lowest responsive and responsible bid for the sum of all bid schedules. The lowest and best total bid was submitted by Calmex Engineering, Inc. in the amount of \$2,774,827.90. The bid is less than the Engineer's Estimate. The award of this contract includes the base bid (sidewalk construction on Pico Avenue), Alternate A (using rubberized asphalt) and Alternate C (adjustment to grade of utilities owned by the Rubidoux Community Services District) for a total amount of \$1,339,014. On January 17, 2008, the District approved the low bidders cost proposal and gave the County concurrence to award Calmex Engineering, Inc. this task. The costs for the Alternate C work plus administrative costs will be funded by the District.

Roadway resurfacing is needed due to deteriorated pavement conditions. The construction of sidewalk on Pico Avenue will complete a missing segment of sidewalk and will improve pedestrian safety.

The contractor is qualified.

The Contractor has executed the contract and has provided bonds and insurance certificate documents which meet the requirements of the contract.

Environmental clearance is complete.

Project Numbers: X0409 (Rubidoux) and B7-0771 (Pico)
