SUBJECT: Indio Mental Health Treatment Generator and Chiller Project – Plans and Specifications

RECOMMENDED MOTION: That the Board of Supervisors approve the plans and specifications for the Indio Mental Health Treatment Generator and Chiller Project and authorize the Clerk of the Board to advertise for bids.

BACKGROUND: The Indio Mental Health Treatment building was constructed in 1995. Due to regulatory changes, certain improvements and upgrades are required to maintain state certification for this facility, and Mental Health and Facilities Management are upgrading the generator and chiller for the building. The contract documents are now complete and Facilities Management requests approval to solicit bids for construction of the project. Facilities Management will return to the Board with a Form 11 for approval of the total project budget and award of the construction contract to the lowest responsive and responsible bidder.
