BACKGROUND:

The Teen Driving New Driver Car Control Clinic is a hands-on, in-car program designed to develop safer drivers. The primary target is 10th and 11th grade students. The two part Clinic includes a two hour presentation and behind-the-wheel accident avoidance and defensive driving skills training for teens and their parents.

We are pleased to join the City of La Quinta, the Indio Youth Task Force and KMIR 6 in sponsoring the clinic. We would like to use Fourth District Community Improvement Funds for this worthwhile program.
