**RE: Support of the San Jacinto River Watershed Council Integrated Regional Watershed Management Plan for the San Jacinto Watershed**

The San Jacinto River Watershed Council has just completed a Prop 50, Chapter 8 Planning Grant for the Integrated Regional Watershed Management Plan (IRWMP) for the San Jacinto Watershed. As a partner and stakeholder in this multiple year planning process, the County of Riverside Board of Supervisors supports this endeavor.

The IRWMP process is the avenue by which grant money is secured from Proposition 84 and Proposition 1E bonds that are administered by the State of California, Department of Water Resource.

The IRWMP provides a roadmap or guidance document for stakeholders on water issues in the San Jacinto Watershed. The County of Riverside looks forward to implementing many of the proposed projects in this plan and supports the San Jacinto River Watershed Council's efforts.

The San Jacinto IRWMP is a focused component of the larger Santa Ana River Basin IRWMP. The San Jacinto River IRWMP serves as the cornerstone for addressing water concerns in the watershed and providing sustainable water resources for future generations.

On April 1, 2008, the Riverside County Board of Supervisors adopted Resolution 2008-167 in support of the development of the Integrated Regional Watershed Management Plan for the San Jacinto Watershed and commends the efforts provided by the San Jacinto River Watershed Council to secure grant funds that will help to restore and improve water resources, and administer the plan on behalf of the region.
