COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FROM: Department of Facilities Management and Probation Department

SUBMITTAL DATE:
February 13, 2008

SUBJECT: Probation Department – Replacement of Air Conditioning System for Van Horn Youth Center - Plans and Specifications

RECOMMENDED MOTION: That the Board of Supervisors approve the plans and specifications for the Riverside Probation Department Van Horn Youth Center facility to replace the air conditioning system and authorize the Clerk of the Board to advertise for bids.

BACKGROUND: The Van Horn Youth Center facility was constructed in 1970. The air conditioning system has exceeded maintenance repair capability and the required load capacity output for the current needs of this 24/7 residential facility. The project's plans and specifications documents are now complete and Facilities Management requests approval to solicit bids for construction of the project. Facilities Management will return to the Board under separate cover for approval of the total project budget and award of the construction contract to the lowest responsive and responsible bidder.
