BACKGROUND: Effective February 1, 2007 Riverside County Regional Medical Center was awarded a grant from the Riverside County Children and Families Commission, also known as First 5 Riverside, to provide dental screening and education services to children under 5 years of age. As a result of screening services provided at school sites and health fairs, children will be referred to dental offices for dental treatment. Therefore, the hospital has sought to obtain Agreements with multiple geographically diverse dental offices that can provide this necessary dental treatment.
