Page 2 of 2

1972 for the maintenance and servicing of streetlights; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Street Lighting Zone 86, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

BACKGROUND: Adoption of Resolution No. 2008-187 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 86 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2008-188 declares the Board's intention of ordering the annexation of Street Lighting Zone 86 to L&LMD No. 89-1-C. Annexation of Street Lighting Zone 86 to L&LMD No. 89-1-C will fund the provision of electricity for streetlights within public right-of-way located easterly & westerly of Rutile St and northwesterly and southeasterly of Bellegrave Ave in the Glen Avon area and includes 2 commercial parcels, totaling 21.73 acre(s).

The proposed budget for fiscal year 2008-09 for Street Lighting Zone 86 is \$2,640.00 that will result in an assessment for fiscal year 2008-09 within Street Lighting Zone 86 of \$121.48 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U for "electricity", if any, as it stands as of March of each year over the base index for March of 2008.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 3, 2008 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 86 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2008-188, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Street Lighting Zone 86 will be annexed to L&LMD No. 89-1-C.

20 approved by the Board of Supervisors;
- 21 (c) The annual assessment for fiscal year 2008-09 on all parcels within Street Lighting
22 Zone 86 proposed to be annexed to L&LMD No. 89-1-C will be \$121.48 per acre.

23 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
24 annexation of Street Lighting Zone 86, as described and shown in Exhibit "A", to L&LMD No. 89-1-C,
25 and to levy and collect an annual assessment on all assessable lots and parcels of property within
26 Street Lighting Zone 86 commencing with the fiscal year 2008-09 as set forth in the Report. The Report

1 expressly states that there are no parcels or lots within Street Lighting Zone 86 that are owned by a
2 federal, state or other local governmental agency that will benefit from the services to be financed by
3 the annual assessments. The annual assessments will be collected at the same time and in the same
4 manner as property taxes are collected, and all laws providing for the collection and enforcement of
5 property taxes shall apply to the collection and enforcement of said assessments.

15 fiscal year 2008-09 is \$2,640.00; there are 2 parcel(s) that are to be assessed that aggregate to

18 for "electricity" for the Los Angeles-Riverside-Orange County California Standard Metropolitan

12 annexed into L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2008-09
13 shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on June 3, 2008, at
