SUBJECT: Fourth District use of Community Improvement Designation Funds

BACKGROUND:

The Desert Alliance for Community Empowerment operates the "El Descanso" Comfort Station during the grape harvest in the Mecca Community. The increased improvements will include a new shade structure that will be installed, picnic tables, and a cooling mist system.

During the May to July season, we have several hundred people who are homeless and need a place to cool off during the heat of the day.

The Economic Development Agency will administer the disbursement of the funds as needed.

We would like to use Fourth District Community Improvement funds to support this project.
