**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Department of Facilities Management

**SUBMITTAL DATE:**  
April 24, 2008

**SUBJECT:** Larry D. Smith Correctional Facility Expansion No. 3 Utility Service Infrastructure –  
Approve Plans and Specifications

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Approve the plans and specifications for the utility service infrastructure project at the Larry D. Smith Correctional Facility Expansion No. 3 and authorize the Clerk of the Board to advertise for bids; and
2. Delegate project management authority for this project to the Director of Facilities Management in accordance with Board Policy B-11.

**BACKGROUND:** Due to the ongoing expansion of Larry D. Smith Correctional Facility over the past few years, the existing utility service infrastructure is unable to meet the current utility demands for the facility.

**BACKGROUND:** (Continued)

It is necessary to upgrade the utility service infrastructure to meet future utility demands for the expansion of the project. Facilities Management and Webb Engineering have completed the required studies and evaluated the need for the improvements to the utility service infrastructure.

The onsite utility services at Larry D. Smith Correctional Facility Expansion No. 3 Infrastructure includes the construction of a 10-inch diameter potable water pipeline, appurtenances, and all connections to existing and proposed facilities.

The offsite utility services at the Larry D. Smith Correctional Facility Expansion No. 3 Infrastructure includes the installation of off-site electrical conduit, vaults, switches, and appurtenances. Facilities Management requests approval to solicit bids for construction of this project.

All costs associated with this project will be funded with General Fund Designation. Facilities Management will return to the Board under separate cover to approve the project budget and execute any related project agreements.
