

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Supervisor Wilson

**SUBMITTAL DATE:** May 20, 2008

**SUBJECT:** Local Planning Council Priorities for State Preschool and General Child Care

**RECOMMENDED MOTION:** That the Board of Supervisors approve the attached priorities for State Preschool and General Child Care for the 2008-2009 program year.

**BACKGROUND:**

These documents will be used to prioritize communities throughout the county concerning both State Preschool and General Center Base Child Care funds from the California Department of Education, Child Development Division (CDE, CDD). The Riverside County Child Care Consortium conducted research to identify the needs of each zip code area through data from the California Department of Education, Child Development Division for Riverside County. The data identified the number of children being served through existing contracts for General Child Care and State Preschool. Additionally, the Consortium received data on the numbers of children living at or below the poverty line by zip code throughout Riverside County. A Spreadsheet was created using the data to identify zip code areas where services are needed the greatest.

As part of the Consortium's contract with California Department of Education, the form needs the approval of the County Board of Supervisors, the Superintendent of Schools and the Local Planning Council Chair. The LPC Chair and the Superintendent's signature have been secured. The form now needs the approval of the Board of Supervisors before the documents can be forwarded to CDE.

Roy Wilson, Chairman  
Board of Supervisors

RIVERSIDE COUNTY  
child care  
CONSORTIUM

May 14, 2008

Honorable Roy Wilson  
Supervisor, District 4  
Riverside County Board of Supervisors  
73-710 Fred Waring Drive, Suite 222  
Palm Desert, CA 92260

Dear Supervisor Wilson:

Attached please find the Local Planning Council (LPC) Priorities Report Forms for the 2008-2009 program year.

These documents will be used to prioritize communities throughout the county concerning both State Preschool and General Center Base Child Care funds from the California Department of Education, Child Development Division (CDE, CDD). The Riverside County Child Care Consortium conducted research to identify the needs of each zip code area through data from the California Department of Education, Child Development Division for Riverside County. The data identified the number of children being served through existing contracts for General Child Care and State Preschool. Additionally, the Consortium received data on the numbers of children living at or below the poverty line by zip code throughout Riverside County. A Spreadsheet (included for your review) was created using the data to identify zip code areas where services are needed the greatest.

Our county currently has a child care shortage that has reached crisis level. It is the Consortium's intent to levy these findings to access state funding for preschool and child care programs throughout Riverside County.

As part of the Consortium's contract with California Department of Education, the form needs the approval of the County Board of Supervisors, the Superintendent of Schools and the Local Planning Council Chair. We have secured both the LPC Chair's and the Superintendent's signature. The form now needs the approval of the Board of Supervisors before the documents can be forwarded to CDE. We thank you in advance for your assistance and support.

If you have any questions or concerns, please contact me at the Consortium office.

Sincerely,

Deborah A. Clark-Crews,  
Executive Director
