SUBJECT: Amendment #2 to the California Statewide Automated Welfare System Consortium IV agreement

BACKGROUND (Continued):

Since that time, a Memorandum of Understanding between the C-IV Joint Powers Authority and each of the four C-IV counties was approved and the application was successfully implemented. Following implementation, the 35 counties that represent the Integrated Statewide Automated Welfare System (ISAWS) agreed to migrate to C-IV and were added as members of the C-IV Joint Powers Authority.

Today's amendment delineates each county's financial obligation for C-IV project-related costs designated by the State as ineligible for reimbursement to the Consortium by the State.
