BACKGROUND:

Heritage High School and Perris High School continue to look to the future with agriculture and 4-H programs. These funds will assist in providing greater resources for more students. Desert Arc provides valuable services to County residents in the desert and these funds will ensure continued services. The City of Perris Community Services Department is requesting sponsorship for their annual summer programs that are free and open to the public. The funds for Breast Cancer 3-Day provide sponsorship for a participant who is walking to raise money for breast cancer research, treatment, prevention and education. I urge the Board to support these uses of Community Improvement Designation funds.
