BACKGROUND:

The Indio Performing Arts Center is dedicated to providing diverse education opportunities for children in the arts. The summer youth program will include instruction of violin to children with the Coachella Valley Symphony Orchestra, Flamenco Music and Dance taught by internationally known Alberto DeAlmar, singing and acting taught by Marlene Dove with McMillan Institute for the Arts and will also include the American Folk Musical Summer Day Camp for Children.

We would like to use Fourth District Community Improvement funds to support this summer program intended to ignite in children their interest and enthusiasm in the performing arts field.
