JUSTIFICATION:

1. An initial inspection was made of the subject real property by the Code Enforcement Officer on December 17, 2007.

The substandard conditions of the structures included, but were not limited to the following: faulty weather protection; general dilapidation or improper maintenance; and abandoned, vacant, public and attractive nuisance. The inspection also revealed the accumulation of rubbish (approximately 3,000 to 3,500 square feet) on the subject property in violation of Riverside County Ordinance No. 541. The accumulation of rubbish consisted of, but was not limited to the following materials: tires, construction material, dry vegetation, metal, wood, plastic and household trash.

3. Subsequent inspections of the above-described real property on February 19, 2008, April 8, 2008, and May 9, 2008, revealed that the property continues to be in violation of Riverside County Ordinance Nos. 457 and 541.
