BACKGROUND:

The Tahquitz Creek Yacht Club and several neighborhood organizations have been working with the City of Palm Springs to improve the Tahquitz Creek Channel area and create a multi-user nature trail from Sunrise Way west to Belardo Road. It has been determined that it is essential that a Master Plan Study be conducted before this project can proceed.

The trail will serve residents and visitors, as well as provide a gateway connection to a trans-valley system of trails and bike paths. The City of Palm Springs will provide additional funding to create new recreational and alternative transportation opportunities for the valley.

We would like to use Fourth District Community Improvement funds to support this project.
